Category 2	0.70
Category 3	0.05
Category 4	3.01
Category 5A	0.57
Category 5B	0.05
Category 5C	0.07
Category 5D	0.02
Category 7A	0.22
Category 7B	0.22
Category 8	0.02
Category 9	0.92
Category 10A	0.92
Category 10B	0.92
Category 11A	0.02
Category 11B	0.02
Category 12	60.23

(*) See annex for definition of combined IFRA categories.

Regulatory Information & Product Safety

The fragrance oil used in this product has been selected based on the documentation provided by the fragrance supplier, including the applicable IFRA Standards and recommended maximum use levels.
The finished product has been formulated within the supplier's recommended usage limits for the intended application.

The manufacturer of the finished product is responsible for ensuring that the product complies with all applicable legislation, including classification, labelling, packaging and any additional testing required for the intended use.
The information contained in this document is based on the supplier's technical documentation together with the formulation of the finished product. It is believed to be accurate at the date of issue and is provided for informational purposes only.

This document is generated by computer and consequently not signed.

No warranty is expressed or implied regarding the suitability of the product for any specific application.
Users are responsible for determining that the finished product is suitable for its intended purpose and complies with all applicable legal requirements.
